Rebalance Confirmation

Your rebalance request has been submitted.

Please print and save this confirmation for your records before leaving this page.

Your confirmation number is **232892021W830.**

Please make sure your e-mail address is valid.
After this transaction has been processed, we will send an e-mail notification to **Lancexhudson@gmail.com**, including a link to details of your latest transaction(s).
▶ Update my e-mail address

You may view the status or cancel the rebalance request in the pending transactions area.

On 10/17/2023, at 04:00PM , Fidelity will submit your rebalance request:

Investment	Current %	Desired %
FID 500 INDEX	100.00%	50.00%
VANG GRTH INDEX INST	0.00%	50.00%
Total	**100.00%**	**100.00%**

Important: Unless otherwise noted in the processing exceptions, transactions confirmed after the close of the market, normally 4 p.m. ET, or on weekends and holidays will generally receive the next available closing price. The funds available through the plan reserve the right to remove the rebalance privilege. Your available fund balances are subject to market fluctuations and account trading activity. Market fluctuations may cause the resultant percentages to be different than your desired percentages. To delete a pending rebalance, please contact your service center.

Rebalance Transaction Summary

To complete your requested rebalance the following exchanges will take place:

Exchange Amount	From	To
50.00%	FID 500 INDEX	VANG GRTH INDEX INST

Fees

There are no short term trading or exchange fees as a result of this rebalance.

> ℹ Rebalancing your account does not affect how future contributions to your account will be invested. To change how future contributions will be invested, please go to Contributions.
